For thy sure possessing;  
Like the patriarch's angel hold  
Till the dawn of a better day

Ja

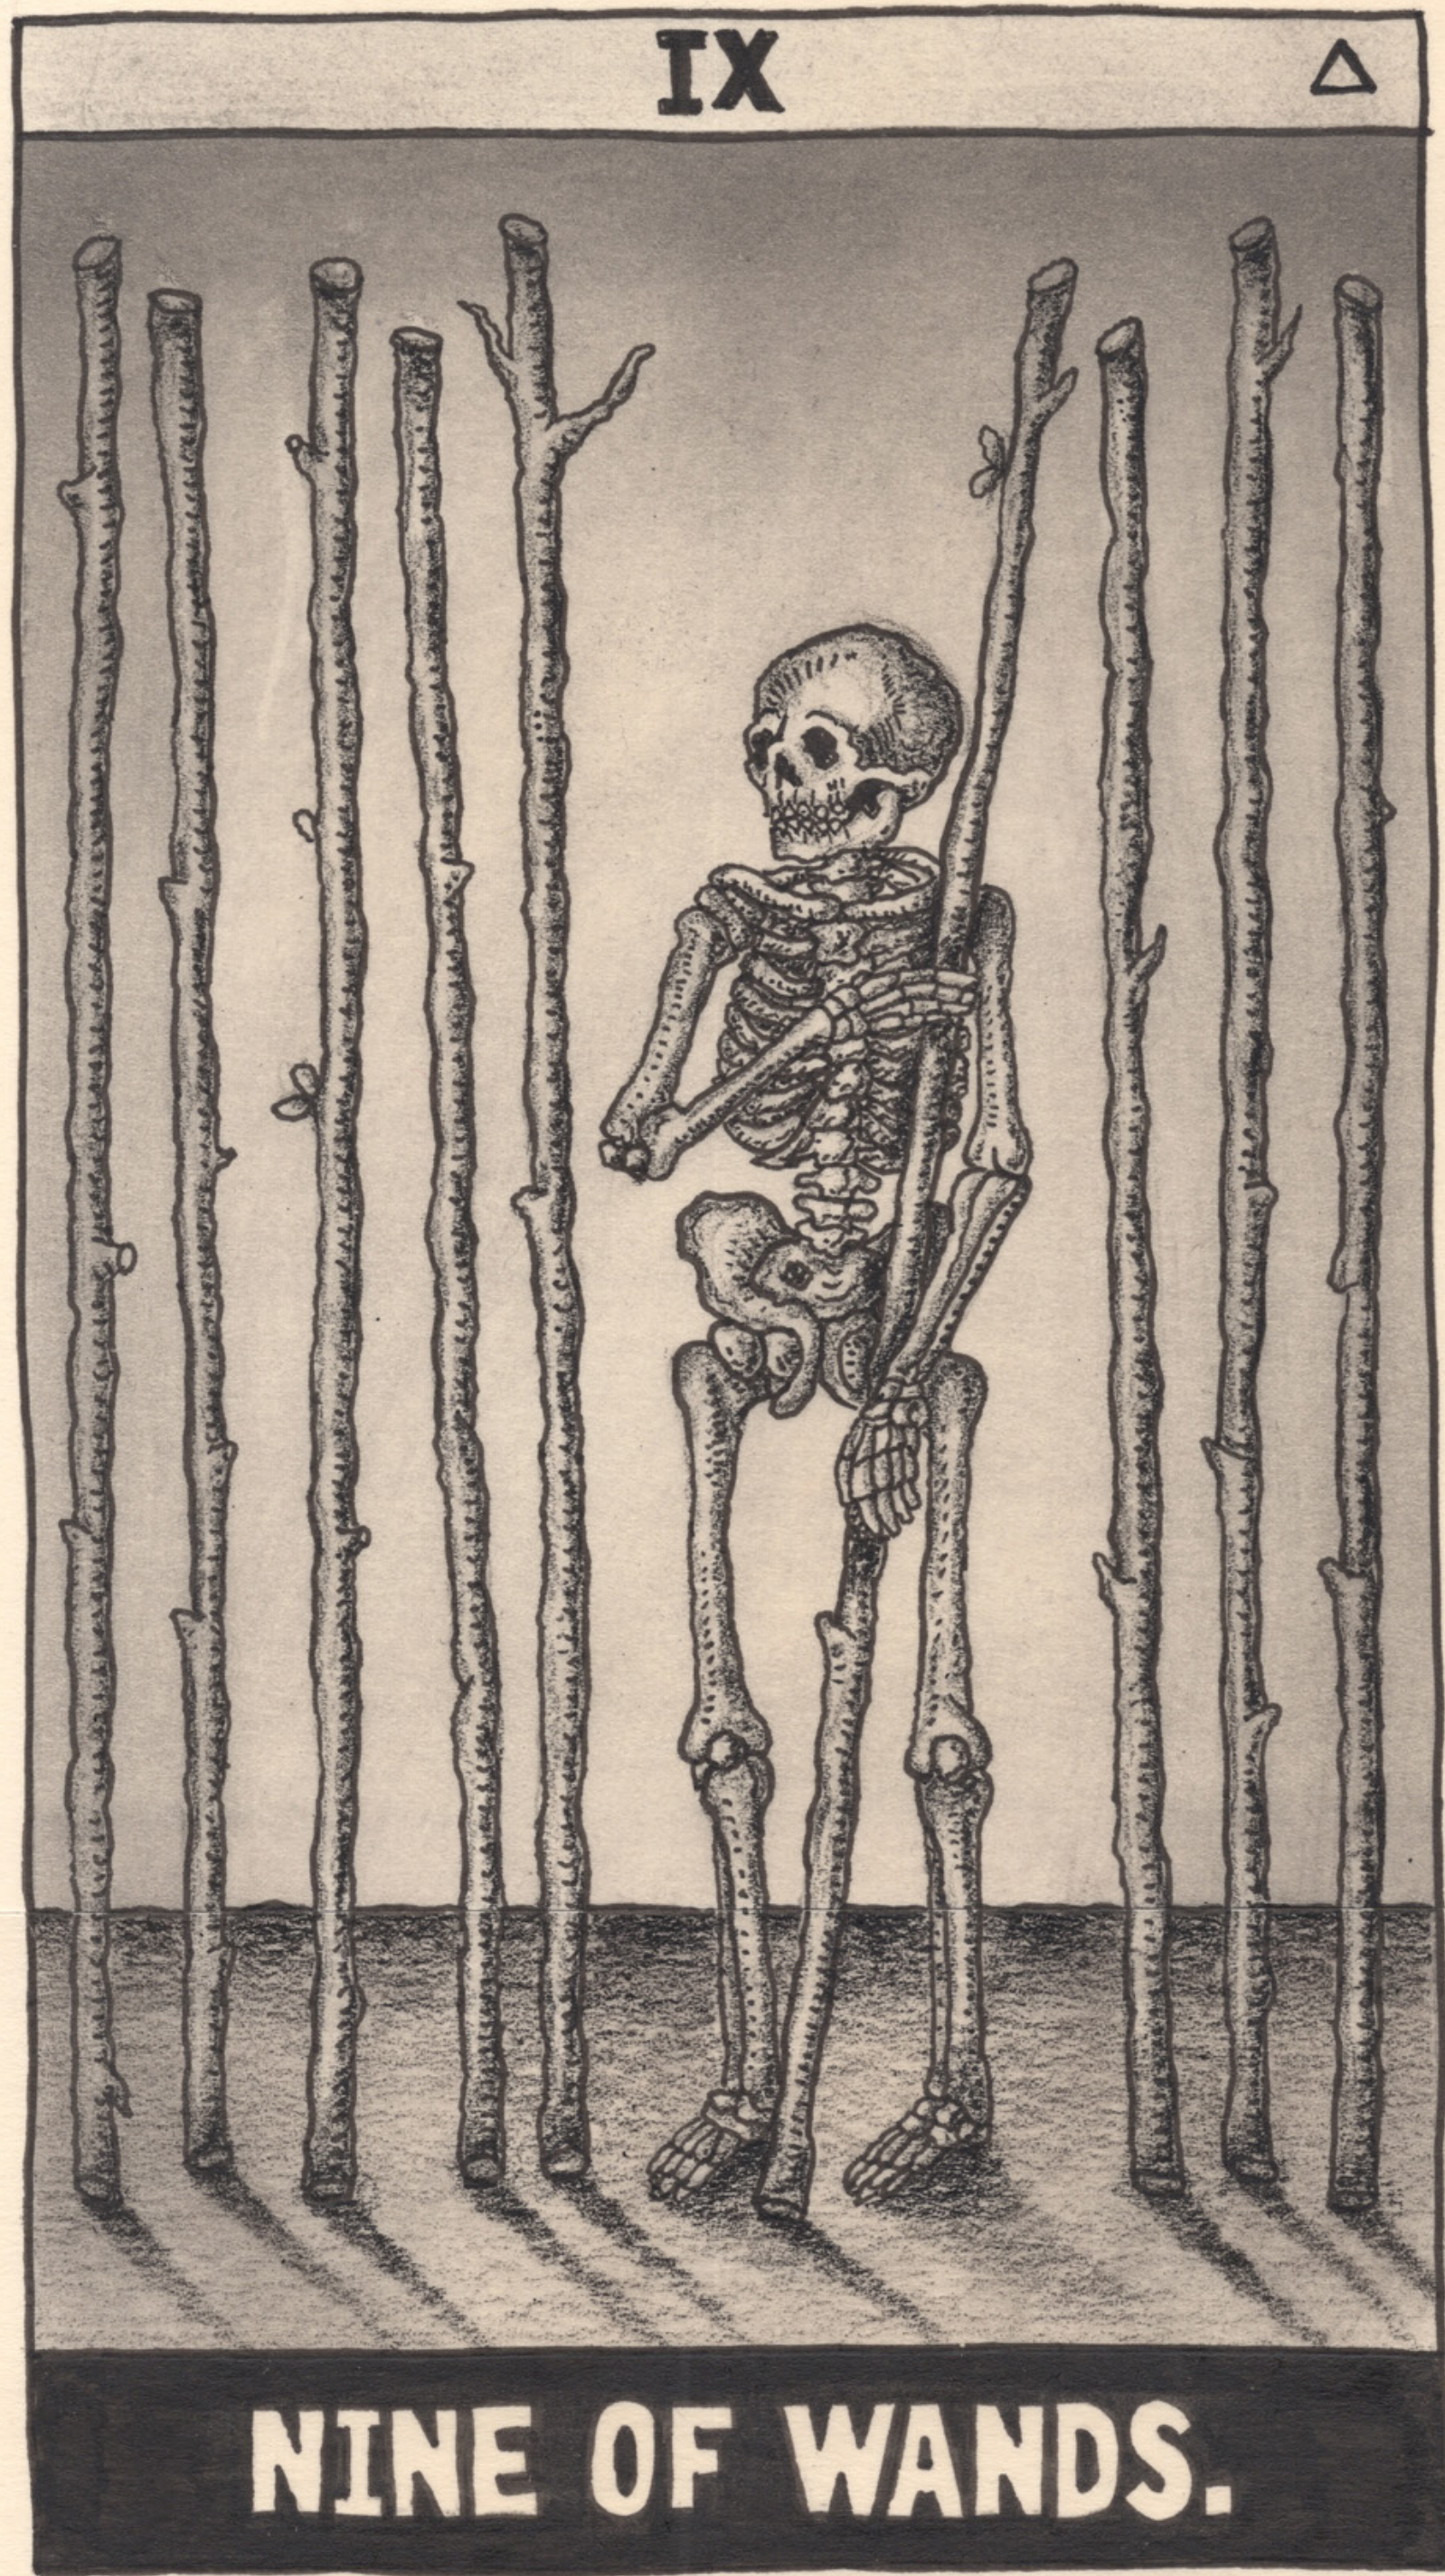

Dear Lida,  
Lida, life is as  
Stretched out  
And the future  
Holds much  
Why then  
It is forming day by day  
But your heart is blind  
Makes tomorrow of today  
Life is real - life is earnest  
And the heroine in the strife  
Is the one who leaves the future  
Living but the present life  
Lives it truly nobly grandly  
Thus prepare for coming fate;  
Strive to make her living perfect;  
Learn to labor and to wait.

Your loving friend  
Gopika, sara and school mate.  
April 1, 1886. Emie Boutwell.
